Why was this bond proposed?

WOCCISD assembled a Facilities Advisory Committee (FAC), comprised of community members and district staff, to evaluate existing facilities and determine what recommendations should be made to the School Board. After several months of touring facilities, examining a comprehensive facilities study, hearing from the district's financial advisor, and prioritizing needs, the FAC unanimously came to the conclusion that a new North Early Learning Center is needed.

TAX IMPACT

Because of the District's tax base and valuation, this bond **WILL NOT** raise the Tax Rate.

However, state law now requires every school district to include the statement "This is a Property Tax Increase" on the ballot, regardless of the actual impact on the district's tax rate.
